ALSTAR[®] PRO
ALUMINIUM COMPOSITE PANEL

A product of **ALSTONE[®]**

SMART EXTERIOR CLADDING

Alstone is a market leader of Metal Composite Panels, constantly on the lookout for industry innovation and challenges.

Alstone a two decades old brand, trusted by architects, builder, façade consultant and fabricators. Alstone has wide range of products namely, Alstone Zinc powered by VMZINC France, Alstone Alcomb, Alstone HPL, Alstone Antiq, Alstone Stonera, Alstone Louvers, Alstone Fuel Pro, Alstone FR (ACP) and Alstone Sign pro.

Alstar Pro- a product by Alstone! Alstar Pro series is specifically designed to cater to the requirement of various commercial/ residential architecture projects. It offers solutions for enhancing the aesthetics, functionality, and durability of any project with low height. This series offers wide range of design options, colors, textures, and finishes, allowing for personalized choices to suit different theme preferences.

Alstar Pro undergoes rigorous quality control measures. The materials used in its production are carefully selected to meet industry standards, ensuring high- quality and reliable solution of claddings.
